

How to login and do your First Aid Theory Course

Log into <https://firstaid.otrainu.com/>

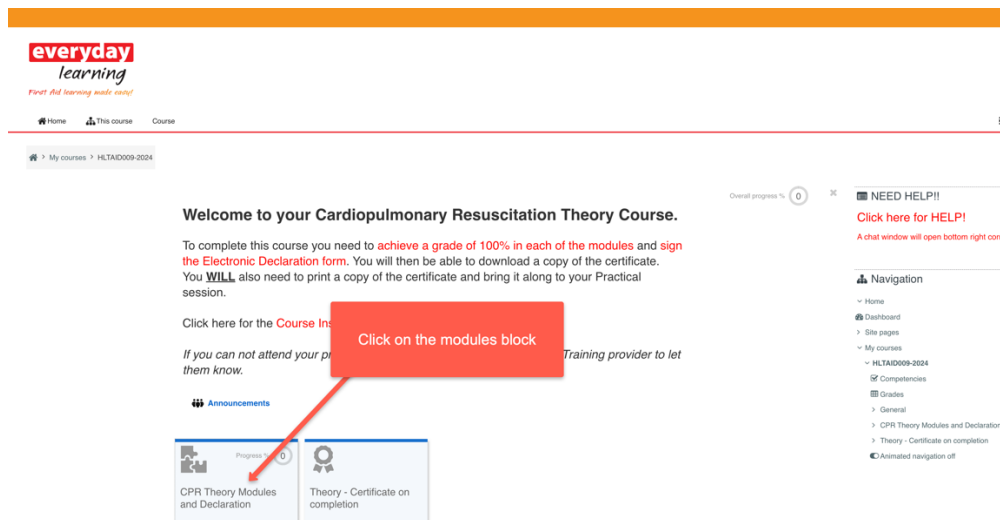

Add your provided username and password then click login.

Then click on the course you are doing.

Then click on the modules block to begin your modules

Click the module name to begin this module. You will see a green tick in top of that modules box when completed. All modules are restricted until the one before it is completed.

• If your module is not recording your grade please make sure you are using the Exit Activity button in top right corner or the X in the play bar or the Next Activity link in the bottom right corner. You can also refresh the page to check if this helps. Click this link to see an image of this. [How to record your grade](#)

• Please do not forget to sign the electronic declaration

A green tick will show here when a module is complete

Click here to do the module

Modules are restricted until the one before it is completed.

Your progress

Once all modules are completed you can then sign the electronic declaration.

Welcome to your Cardiopulmonary Resuscitation Theory Course.

To complete this course you need to **achieve a grade of 100% in each of the modules** and **sign the Electronic Declaration form**. You will then be able to download a copy of the certificate. You **WILL** also need to print a copy of the certificate and bring it along to your Practical session.

Click here for the **Course Instructions**

If you can not attend your practical session, please contact your Training provider to let them know.
